End-User License Agreement (EULA)

This software, created by SstudiosDev, is protected by copyright laws and international copyright treaties. The use of this software is subject to the terms of this End-User License Agreement (EULA).

License

SstudiosDev grants you a personal, non-exclusive, non-transferable, and limited license to use the software in accordance with the terms of this EULA.

Use Restrictions

You may not sell, sublicense, distribute, rent, lease, or otherwise transfer the software to third parties. You may not reverse engineer, decompile, or disassemble the software, nor modify, adapt, translate, or create derivative works based on the software.

Ownership

You acknowledge and agree that SstudiosDev retains all rights, titles, and interests in and to the software, including, but not limited to, all intellectual property rights and other proprietary rights.

Disclaimer of Warranty

The software is provided "as is" without warranty of any kind. SstudiosDev does not warrant that the software will be error-free or operate without interruption.
(This does not apply to all products)

Limitation of Liability

In no event shall SstudiosDev be liable for any direct, indirect, incidental, special, exemplary, or consequential damages arising out of the use or inability to use the software.

Termination

This EULA is effective until terminated. SstudiosDev may terminate this EULA at any time if you breach any of its terms. Upon termination, you must destroy all copies of the software.

Applicable Law

This EULA shall be governed by and construed in accordance with the laws of the State of California, USA, without regard to its conflict of law provisions.

Acceptance

By using the software, you agree to be bound by the terms of this EULA. If you do not agree to these terms, do not use the software.
